BE IT ORDAINED BY THE TOWN OF RAMONA, LAKE COUNTY, SOUTH DAKOTA:

POLICY.

It is hereby declared to be in the best interest of public policy and public safety of the Town to regulate and restrict the parking of vehicles on public streets during snow emergencies.

No vehicles or other obstruction shall be allowed to stand or remain unattended on any street within the Town after receiving four inches of snow. All vehicles or obstruction that remain on the city streets will be towed away at the expense of the owner.

DRIVEWAYS, MAIL BOXES, AND FIRE HYDRANTS.

City policy shall be not to remove snow deposits left by snow plows at private driveways, mailboxes for vehicle delivery, and fire hydrants. Property owners are responsible for clearing snow as deemed necessary near mail boxes and fire hydrants located in the city limits. City policy will be to eventually return and clear and widen streets as much as practical. Widening operation may unfortunately produce blocked/plugged driveway conditions for property owners/tenants.

This ordinance is deemed necessary for the immediate preservation of the public peace and safety of the citizens of Ramona and will therefore take effect immediately upon passage and publication.
